## Dear Seth:

You exposed your cover. Your reference to "We should wait for the official cause of death be announced by the ME before jumping to conspiratorial conclusions" establishes proof of who you are.

Additionally, have you even checked to see who runs this office? That suggestion is laughable on its face (<a href="http://a856-gbol.nyc.gov/GBOLWebsite/GreenBook/Details?orgId=2894">http://a856-gbol.nyc.gov/GBOLWebsite/GreenBook/Details?orgId=2894</a>):

No one is jumping to conspiratorial conclusions except you. The claim that a person is jumping to conspiratorial conclusions is itself a conspiracy theory. You should try taking your own advice.

In the meantime, proof of a Jewish conspiracy is absolutely spelled out in the Babylonian Talmud and other Judaic literature:

1. Come and Hear, Informing on Fellow Jews Who Commit Crimes, Mesira (Whistleblowing) in Modern Times, <a href="http://www.come-and-hear.com/editor/moser-broyde/index.html">http://www.come-and-hear.com/editor/moser-broyde/index.html</a>:

Even though Jewish law expects people to observe the laws of the land, and even imposes that obligation as a religious duty, the Talmud recounts - in a number of places - that it is prohibited to inform on Jews to the secular government, even when their conduct is a violation of secular law and even when their conduct is a violation of Jewish law. While there are a number of exceptions to this prohibition (which are explained further in this section), the essential halacha was that Jewish law prohibits such informing absent specific circumstances. Even is secular government [was] to incorporate substantive Jewish law into secular law and punish violations of what is, in effect, Jewish law, Jews would still be prohibited from cooperating with such a system. Indeed, classical Jewish law treats a person who frequently informs on others as a pursuer (a rodef) who may be killed to prevent him from informing, even without a formal court ruling.

Advocating killing a whistleblower and expecting adherents to obey it creates a conspiracy to commit murder. This is not a conspiracy theory, Seth. It is a RICO-predicate conspiracy.

2. Come and Hear, Sex with Children by Talmud Rules, <a href="http://www.come-and-hear.com/editor/america">http://www.come-and-hear.com/editor/america</a> 2.html:

"Talmud Permits Child-Adult Sex: Talmud law permits sexual intercourse between children and adults...Let's review the above-cited Mishnah: "When a grown-up man has had sexual intercourse with a little girl, or when a small boy has intercourse with a grown-up woman ..." It is obvious that sex activity between a grown man and a little girl, and between a grown woman and a little boy, is a part of the woof and the warp of everyday Talmud life; such relationships, in the eyes of the Sages, are unremarkable. There is no prohibition on sexual activity between adults and young children — it is simply regulated."

Advocating the "regulating" of child sex and expecting adherents to obey it creates a conspiracy to engage in sex trafficking. This is not a conspiracy theory, Seth. It is a RICO-predicate conspiracy.

3. Mail-Jewish, Volume 15, Racism and the Curse of Ham, http://www.ottmall.com/mj ht arch/v15/mj v15i20.html#CDX:

"In 1992 a book was published by a leading member of the Satmar community entitled Artzot Ha-Hayyim. On p. 52 he explains and quotes other rabbis, that

the reason Abraham Lincoln was killed because he freed the blacks. this is also the reason why Kennedy was killed, i.e. because he was good to the blacks. He continues by saying that this will be the fate of any who adopt a progressive attitude towards blacks because they are meant to be enslaved. His source for this is Ham's curse..."

Advocating the enslavement of a group of people based on race and expecting adherents to obey it creates a conspiracy to engage in human trafficking. This is not a conspiracy theory, Seth. It is a RICO-predicate conspiracy.

4. Come and Hear, Daat Emet, Gentiles in Halacha, <a href="http://www.come-and-hear.com/supplement/so-daat-emet/index.html">http://www.come-and-hear.com/supplement/so-daat-emet/index.html</a>:

This is also the law concerning any position of authority, as explained in Kiddushin 76b: "We have learned: 'Then you shall23 appoint a king over you from among your brethren,' all appointments of authority that you make should not be [made]24 except from among your brethren." Thus wrote Maimonides in chapter 1 of The Laws of Kings, halacha 4: "We do not appoint a king from amongst the converts, even after several generations, until his mother is [one born] Jewish, as it is written, 'You will not set over you a stranger who is not your brother.' Not only for kingship, but also for any position of authority in Israel, neither a general nor chief over fifty people, nor chief over ten people, nor even a person appointed to verify that the water is distributed to the fields. It is superfluous to talk about a judge or a nasi, who may not be other than [one born] a Jew, as is written, 'one from among your brethren shall you set as king over you'--all the people whom you give positions of authority shall not be from other than your brethren."

Advocating the hiring of people from only one racial group to the exclusion of all others and expecting adherents to obey it creates a conspiracy. This is not a conspiracy theory, Seth. It is a RICO-predicate conspiracy.

5. Come and Hear, New America, America's New Government Church, http://www.come-and-hear.com/editor/america 1.html:

"The Noahide Laws promise deadly consequences for Christians. We shall understand why a little later.

What are the seven Noahide Laws? In brief: LORD God told the Jews they must obey 613 commandments (72) in order to have everlasting life (i.e., "a

portion in the-world-to-come") but decreed that the rest of mankind must obey only seven commandments. Those seven commandments are the Noahide Laws. Furthermore, LORD God tasked the Jews to enforce the seven Noahide Commandments and to enforce them with liberal use of the death penalty."

Advocating the killing of Christians and expecting adherents to obey it creates a conspiracy. This is not a conspiracy theory, Seth. It is a RICO-predicate conspiracy.

Come and Hear, The Jewish Religion, Its Influence Today, Judaism, Anti-Gentilism and the Exploitation of Non-Jews, <a href="http://www.come-and-hear.com/dilling/chapt04.html">http://www.come-and-hear.com/dilling/chapt04.html</a>:

"Non-Jews — No Property Rights: The Talmud teaches that non-Jews have no property rights. Their possessions are "like unclaimed land in the desert." (See Jewish Encyclopedia, Exhibit 270) The illustration is given of the 4th Century notable Rabbi Ashi who, knowing this, acted accordingly and gave "an adroit and evasive answer" when questioned by the Gentile owner of a vineyard who overheard Ashi tell his slave to go into his vineyard and get him some grapes if the vineyard belonged to a Gentile, but not to take any if the owner be a Jew. "Is it permitted to take from a Gentile?" the owner asked. Ashi's evasive answer is given with the explanation that: "In truth Ashi coincided with the opinion of the authority stated above: namely, that ... Gentile ... property is considered public property, like unclaimed land in the desert." (See Exhibit 270).

The Talmudic authority which holds that Gentile property is like unclaimed land in the desert is the Talmud Book of Baba Bathra, Folio 54b, there cited. The passage actually appears on page 222 of the Soncino edition: "Rab Judah said in the name of Samuel: The property of a heathen is on the same footing as desert land; whoever first occupies it acquires ownership."

There are even more horrifying stories regarding sexual excesses associated with the Babylonian Talmud's conspiracy to promulgate and enforce sexual savagery against Jews and Gentiles alike:

35. Mafia-style Bribery Charges for Ultra-Orthodox Williamsburg Jews, https://www.youtube.com/watch?v=FioXUEmHwJY;

Jehovah's Word the Bible says the following regarding the nation of Israel's worship of Molech in Amos 5:23:

Did you bring me sacrifices and gift offerings For those 40 years in the wilderness, O house of Israel? Now you will have to carry away Sak'kuth your king and Kai'wan, Your images, the star of your god, whom you made for yourselves, And I will send you into exile beyond Damascus,' says he whose name is Jehovah the God of armies."

The apostle Stephen repeated the same thing in Acts 7:43:

But it was the tent of Mo'loch and the star of the god Re'phan that you took up, the images that you made to worship them. So, I will deport you beyond Babylon.'

Lastly, intelligent individuals understand that real conspiracies have their bases in hiding a course of conduct known to be amoral and illegal. In the case of the Ashkenazim, that conduct is the worship of Molech, the god of pedophilia and child sacrifice.

In the Babylonian Talmud, Tractate Sanhedrin, Folio 64A (https://halakhah.com/sanhedrin/sanhedrin 64.html), it says the following:

Mishnah: He who gives of his seed to Molech incurs no punishment unless he delivers it to Molech and causes it to pass through the fire. If he gave it to Molech but did not cause it to pass through the fire, or the reverse, he incurs no penalty, unless he does both.

Gemara: The Mishnah teaches idolatry and giving to Molech. Rabbi Abin said: Our Mishnah is in accordance with the view that Molech worship is not idolatry.

This is not a conspiracy theory, Seth. This is a conspiracy, period.

"It seems to us Israel is increasingly becoming a refuge for pedophiles and alleged pedophiles," said Waks. "It's an easy get-out-of-jail card for them." Waks, who is married with three children, recently moved back to Israel, where he was born and served in the army.

According to research data he cited, one in five children in Israel experiences sexual abuse.

This study explores thought patterns of Jewish Ashkenazi Ultra-Orthodox pedophiles in Israel and how they resolve the contradiction between their commitment to Jewish Law and having committed sexual

offenses against minors. Ten adult men participated in this study. Using open semi-structured interviews, their cognitive distortions before, during, and after the abuse were examined. Content analysis revealed that participants used cognitive distortions based on their own world of Jewish Law and social-cultural values. The insular nature of Ultra-Orthodox society and its many prohibitions, especially regarding sexuality, tempted offenders to test boundaries. When sexual drive was high, internal control mechanisms were ineffective even in presence of external control mechanisms. Some participants recognized the contradiction between their behaviors and being Ultra-Orthodox Jews, and others did not. Based on the findings, a flow chart was devised describing the cognitive processes of Jewish Ultra-Orthodox pedophiles. Theoretical and practical implications of the results were examined.

It appears that among Ashkenazi Jews, pedophilia is ORGANIC.

Seth, I respectfully ask that in the presence of proof that Ashkenazi Jews' conspiracy to engage in acts of sexual predation is based on a genetic/organic predisposition to pedophilia, that you end the use of the term "conspiratorial conclusions."

Thank you.
